Lifegroup Leader
Church Leader leading the Young people in serving God by winning souls and making Disciples
-Matthew 28:19

Website Developer with more than 8 years of solid experience in Ecommerce especially in Shopify. Seeking opportunity for professional growth. I am eager to learn and explore new ideas about present-day technologies, diligent and work well under pressure without sacrificing output quality.

My expertise includes conversion strategies and optimization like speed optimization and conversion rate optimization and implementation that greatly reduce bounce rate and help with customer engagement and increase order value.

Let's turn your visitors into customers!
